3.	Location of Observer Sydney ROAD, N.S. NORTH	HARRINGAY SECTOR OF BOROUGH
4.	Duration of Observation Hrs	Mins 10 Secs Alfron
B.	Condition of Sky	
	a. Bright Daylight	d. Just a trace of Daylight
	b. Dull Daylight	e. No trace of Daylight
	c. Bright Twilight	
6.	Position of Sun / Moon in Relation to Ol	
	a. In front of you	
	b. Behind you	e. Overhead
	c. To your right /	f. Not known
7.	If seen at Night, Twilight, or Dawn, who	at did you notice concerning:-
	Stars	Moon
	a. None	Bright Moonlight * CRESCENT
	b. A few b	. Dull Moonlight
	c. Many	. No Moonlight-Pitch Dark
	d. Not known d	. Not known
8.	Was the Object Brighter than the Backgr	ound of the Sky YES.
9.	If so, compare Brightness with a known simular to Planet Mars Seen Through Glasses und	
10.	Behaviour of Object	25
	a. Appear to stand still at	any time YES.
	b. Suddenly speed up/Rush aw c. Break up into little part	ay at any time / YES. s and explode
	d. Give off smoke	
	e. Change of brightness f. Change Shape g.	Flicker, Throb, Pulsate No.
77.	Did the Object at any time pass in Fro please elaborate No.	nt or Benind anything. If Yes
12	. Was there any Wind YES. If so gi	ve direction and speed
12	EASTERLY DIRECTION, SPEED 10 KNOTS	, (CHECKED WITH MET: OFFICE WEATHER DIV.)
1		
13.	. Did you observe the Object through any	Discoulant (QV30 Fridatics, V
	a. Eyeglasses.yes/no e. b. Sunglasses.yes/no f.	Binoculars yes/no 8x30 farantics.
	c. Windshield.yes/no g.	Theodolite yes/no
	a. Williaow. yes/no n.	Others
14.	. Please describe;-	07671490
	Sound if any NONE.	0 10 11
	Colour AMBER RED, SELF LUMING	vs.
15	. The Outline of the Object was	
1		c. Sharply Outlined
1	a. Fuzzy or Blurred b. Like a Bright Star	d. Not Known

16. Was the Object a self Luminous one or:- YES

a. Dull Finish b. Reflecting c. Transparent

17. Draw a sketch of what you saw and indicate direction of movement if any med twismwest the model of the movement of any med twismwest to the model of the movement of the m

FACING WEST.

- 18. Did the Object Rise or Fall whilst in motion Yes/No Topped Directions
- 19. Apparent size of Object held at arms length

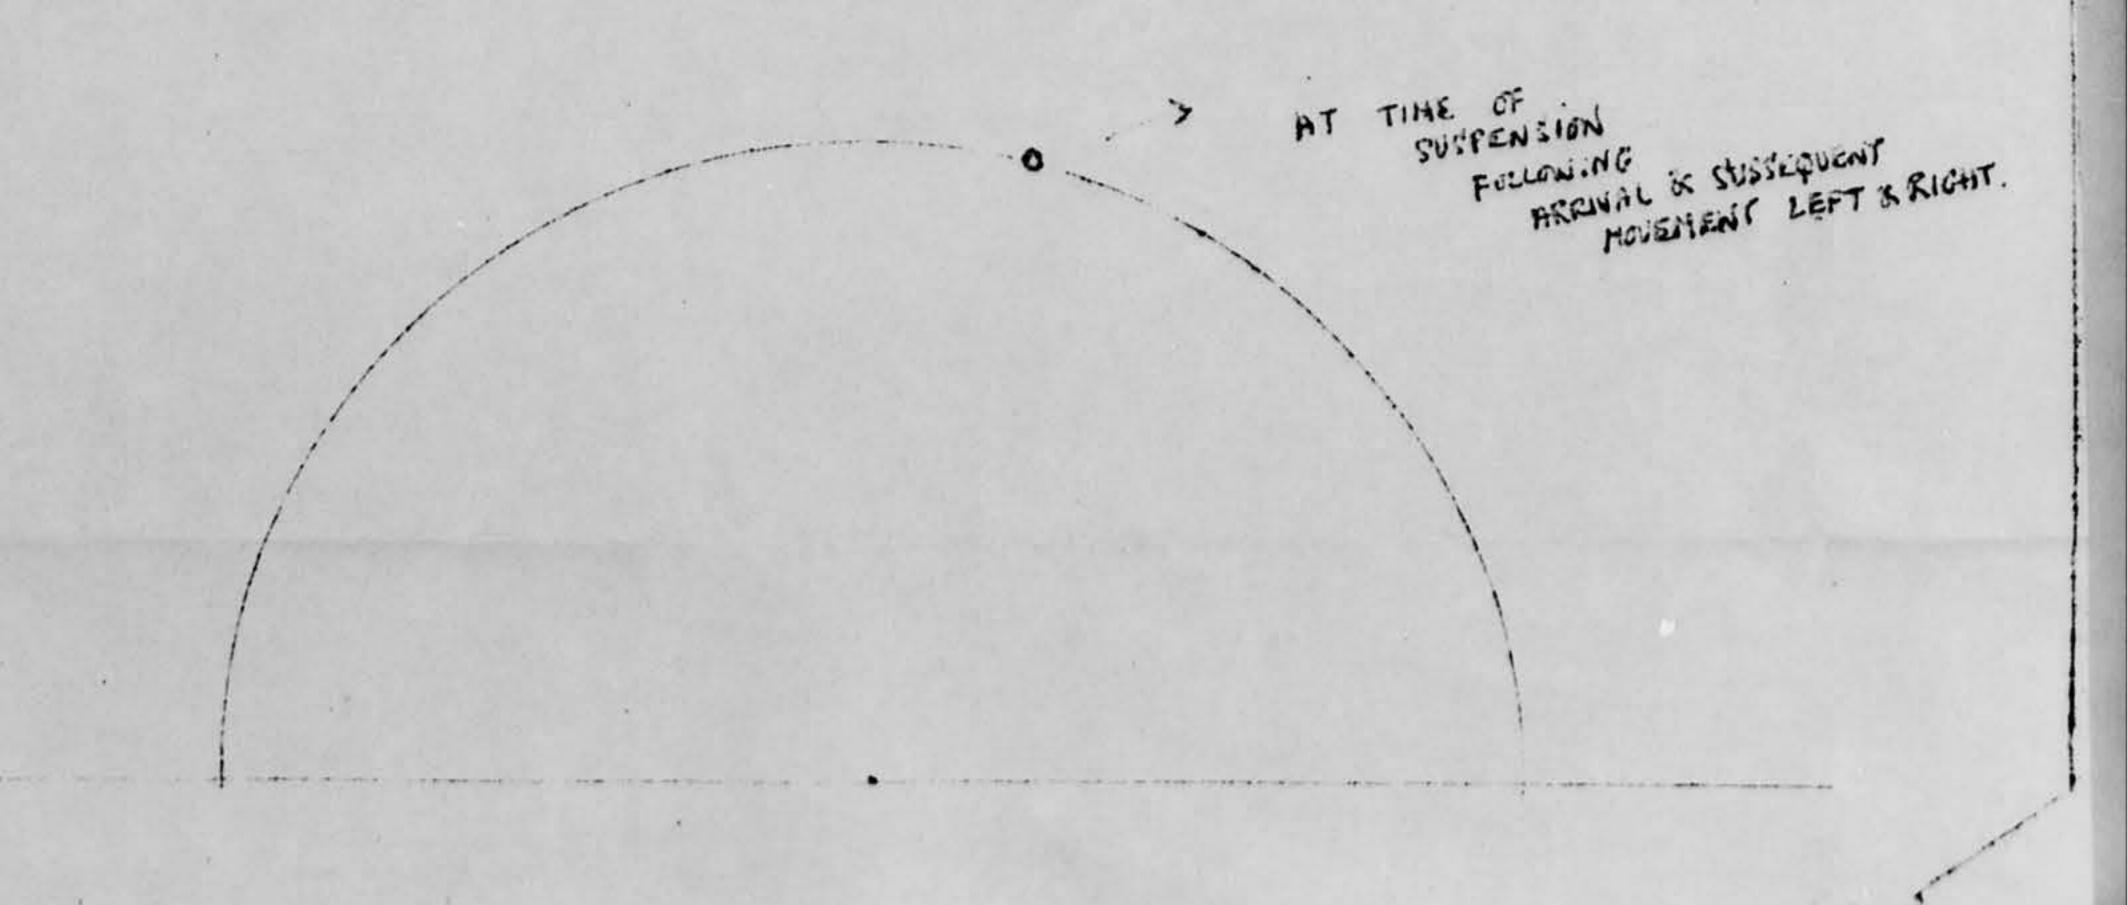

a. Pinhead b. Pea

- d. Halfpenny
- e. Penny

c. Threepenny piece g. Or larger

f. Halfcrown

- 20. How did the Object disappear from view IT S'UPDENLY FLASHED ACREST AND VANISHED IN THE WEST S/WEST.
- 21. How did you happen to notice the Object IT Suddenly CAME INTO THE FIELD OF VIEW WHILE I WAS OBSERVING THE BOMBER AIRCRAFT.
- 22. What were you doing at the time WATCHING & IDENTIFYING AN AMERICAN FOUR ENGINE BOMBER, WHICH WAS ENGAGED IN A ROUTINE EXCERCISE FLIGHT AT AFFROX: 28,000 ft.
- 23. Compare the speed with Piston/Jet Aircraft at same height THIS OBJECT OUTCLASSED ANY AIRCRAFT I HAVE EVER SEEN BOTH IN SPEED AND FUGHT CHARACTERISTICS, THAT ALSO APPLIES TO GUMED MISSILES.
- 24. Estimated distance of the Object Nect Overhead
- 25. Elevation of Object in Sky(place mark on Quadrant)

- 26. Names and addresses of other witnesses, if any unfortunately during time this occurred no one came along the passagenry, anyone who noticed it without field defined will no doubt have dishased it with a genuce as the light on an intercepting fighter, since the sight of fighters intercepting behert is common place and object would have affected much smaller with named eye, when stationary it was rock still and could easily have been taken for a repoish star seen by unaided eye!
- 27. Give account of any other details

 THE MOVEMENTS OF THIS OBJECT WERE DELIBERATE AND

 INTELLIGENTLY CONTROLLED. IT WAS SOLID, CLEAR CUT, AND HIGHLY SELF LUMINOUS

 IT WAS A DISC IN SHAPE, AND COULD NOT UNDER ANY CIRCUMSTANCES HAVE BEEN

 A METEUR, SHOOTING STAR, PHECRAFT AS WE KNOW IT, OR BALLOOM, IT APPEARED TO BE SURVEYING THE BOTRER.
- 28. Sketch Map of Locality of Sighting

 Please draw a sketch map of the locality of the sighting shewing

 (1) Your exact position (2) The direction in which the Object

 (a) Appeared (b) Disappeared from view and (3) The direction of

its course.

what I saw.

In order that we may locate the place on our Ordnance Survey Maps, please shew roads, towns, and villages within a radius of One Mile, also principle Buildings and Landmarks. BEITISH RAILWAY'S NOCTHECH LINE FROM KINGS CROSS NEW RIVER. コロロピロロコ S FINTERRY FACK WIGHTMAN ROAD . N S RESIDIENTIAL PRICA. BUILT UP W. U.RO. FROM HERE! HARRINGAY N. LL.
